Keeping You Connected

Hargray helps to ensure that all students in our local area can connect to their studies. The Jump Start program provides discounted Internet services to households that are eligible to receive the National School Lunch program. Jump Start includes 30 Mbps Internet for only \$15 per month, and includes Wi-Fi enabled equipment and free installation.

Frequently Asked Questions

What are the eligibility requirements of the Jump Start Program?

- Requires annual Proof of Eligibility requirements for the National School Lunch Program (NSLP). Internet service is available to the residential address used for eligibility for the NSLP.

Where is the Jump Start Program available?

- Jump Start is available in areas currently served by Hargray and applies to the 30 Mbps Internet plan; additional discounts cannot be applied. Equipment and installation is included; taxes and fees are added to the monthly bill

Where do I sign up for Jump Start?

- Our dedicated team can assist Monday through Friday 8am-5pm. Please call 877-427-4729
